

### Just a Word about Internet Pharmacies...

Our policy at Token Creek Veterinary Clinic is that a written prescription will be provided to clients upon request to fill elsewhere.

However, we wish to inform you that many of our prices for heartworm preventatives and flea/tick products are very comparable (or even better) than what online pharmacies provide. We offer coupons and rebates for Heartgard Plus and Frontline Plus that are not available to online shoppers. Many times online pharmacies will charge customers *before the prescription is even approved by their veterinarian* making refunds very time consuming and difficult. In addition, these online products are not supplied by Merial, the manufacturer, thus making their source questionable.

Please know that we have only your pet's best interest in mind. We want our clients to make informed decisions about where they choose to have prescriptions filled.

**WE APPRECIATE YOUR BUSINESS AND  
THANK YOU FOR IT!**
